Entergy Utility Fossil/Renewable Generating Assets

** Entergy's portion, Summer MW.*

Operating Companies

EAI	Entergy Arkansas, Inc.
ELL	Entergy Louisiana, LLC
EMI	Entergy Mississippi, Inc.
ENOI	Entergy New Orleans, Inc.
ETI	Entergy Texas, Inc.

Unit Role Definitions

Base	Units operated most hours throughout the year as available.
Intermediate	Units dispatched for load-following needs throughout the year.
Peaking	Units provide variable level of energy and/or capacity when needed.
Reserve	Units presently are non-operational.
